The Members of Congress Seem to be Inclined to Shake up Things in General.

A Bill to Suspend the Coinage of Silver—The Senate Flooded with Nominations.

The Electors Casting the Vote for President—A Brief Resume of the Current News.

The 18th Congress.

WASHINGTON, D. C., Dec. 3.—The chair laid before the senate the report of the commissioners appointed to select a site for the pedestal of the Garfield statue. Referred.

McPherson introduced a bill to suspend the coinage of the silver dollar. It provides on and after its passage the act for the coinage of silver dollars shall be suspended; that the secretary of the treasury be directed not to re-issue any United States notes of a denomination less than \$5 and to destroy all United States notes of a less denomination than \$5 and to cease engraving or printing all such notes. It authorizes the secretary of the treasury upon the deposit of silver bullion in such sub-treasury as he shall designate to issue to the depositor thereof silver certificates having upon their face the weight and market value of the metal so deposited calculated in United States gold dollars, at the rate of 25 to 100 standard grains to the dollar. The secretary is also authorized and required on the presentation of any silver certificates under the provisions of the act, by legal holders thereof, to redeem them by the delivering to the depositor of an equal amount of bullion of the weight and fineness certified upon the certificates and immediately to cancel and destroy such certificates.

Yest's resolution of yesterday, calling for investigation into the losses made by the Indians in the Indian Territory, was taken up and amended so as to include within its scope an investigation of all losses made in the Indian reservations. The resolution was agreed to.

Curtis, Illinois, secretary to the Central and South American commission; Walter Q. Gresham, Indiana, circuit judge of the United States seventh judicial circuit.

The bill passed authorizing the construction of a bridge across the St. Croix river between Stillwaters and Taylor's Falls.

On motion of Randall, the house went into a committee of the whole, with Cor. of New York, in the chair, on the bill making temporary provision for the naval service.

Randall made a brief statement that the appropriation in support of the navy for the current fiscal year was \$15,630,166, a reduction of \$268,268 from the appropriation of previous years. The committee rose and the bill passed and the house resumed consideration of the inter-state commerce bill.

INDIANAPOLIS, Ind., Dec. 3.—The presidential electors met this morning in the criminal court room, the court house serving as a state house while the new capital is building, and cast their vote for Cleveland and Hendricks. Mortimer Nye, of Laporte, was chosen messenger to carry the vote to Washington, he having received the highest number of votes in the state. The electors called in a body upon Gov. Hendricks to pay their respects.

The Erie War.

NEW YORK, Dec. 3.—The railroad passenger war continues unabated. The West Shore and Erie road are selling tickets to-day to Chicago for \$8.40, the New York Central and Delaware, Lackawanna and Western roads ask \$10.50 to the same point. To Detroit the Erie road asks \$7; to Cincinnati \$10.50. One firm of ticket agents to-day quotes the following prices by all roads except the Pennsylvania road: Chicago \$8.50; Cincinnati \$8.50; Cleveland \$6; Detroit \$5; New Orleans \$23, round trip \$43 and to Buffalo \$4.65. It is understood that the Central has instructed brokers to sell their tickets as low as any other road.

She will insist also that the French legations to Annam shall be placed on the same footing as the legations of other countries."

Fire.

SALISBURY, Md., Dec. 3.—Fire last night destroyed the residence of R. D. Aldel and J. Shader, the Methodist church and the lively stable at W. Loughby. Loss \$12,000. The church was insured for \$3,000 but the rest were uninsured.

The Trunk in Newfoundland.

ST. JOHN'S, N. F., Dec. 3.—The attack of the Orangemen on the redemptionist fathers continued three days—Wednesday, Friday and Saturday last. They were brutally driven out of Conception bay amid hooting, stone pelting and violent exorcisms. There is great indignation among the Roman Catholics. Aid from the United States government for its citizens has been invoked.

The Utah Commission.

WASHINGTON, December 2, 1884.—The report of the Utah commission is made public. It states that duties imposed upon the commission at the

recent election were successfully performed and that polygamists were prevented from voting. It is our duty to advise the government and the country that although the law has been successfully administered in respect of the disfranchisement of polygamists, the effect of the same upon preaching and the practice of polygamy has not been to improve the tone of the former or materially diminish the latter.

During the present year it appears there has been a polygamic revival. The institution is boldly and defiantly defended and commended by spiritual teachers and plural marriages are reported to have increased in number. It is not unlikely, says the report, that finally the federal government will find it necessary to take into its own hands all civil power in this territory. Among the plans for the government of this territory the report recommends that offices of territorial auditor and treasurer should be definitely defined by congress, as offices to be filled by appointment, and we may remark, in this connection, that although the organic act would seem to leave no doubt as to the appointable character of these offices, and the commission has persistently refused to recognize the right of election under the law, and the local courts have sustained this view. Still incumbents of these offices at present are holding over from previous elections. The report says it should be made a penal offence for any woman to enter into marriage relation with any man, knowing how to have a wife living and undivorced. This should be coupled with a provision that in cases where a polygamist wife was called as a witness, as any prosecution for polygamy against her husband, her testimony given in such a case could not be used against herself, with a like provision as to the testimony of her husband called as a witness against his polygamic wife.

OTHER NEWS.

The President appointed Jas. L. Saylor postmaster at Thorton, Ind.

The secretary of the treasury notified the collector of customs at San Francisco, that persons known or proved to his satisfaction to be Chinese merchants, who resided in the United States at the date of the treaty of 1880, are entitled to go from this country and return at their pleasure, and certificates of the Chinese Consul General of San Francisco may be regarded as prima facie evidence in such cases.

A New York News.

NEW YORK, December 2.—At 10 o'clock to-night a fire broke out in the engine room of J. & C. Fisher's piano factory, on West Twenty-eighth street, and for a time it threatened the complete destruction of the immense factory, flats and tenements adjoining.

The factory comprises four separate buildings, taking in numbers from 417 to 430. The largest of the buildings is eight stories high and is separated from a five-story building on the street in the rear by iron doors. In the large building was stored quantities of seasoned lumber; also pianos ready for shipment. The fire spread rapidly and the inmates of the adjacent houses rushed to the street in every condition of apparel. The principal efforts were directed to saving the big building. About 11 o'clock it was thought that the flames were under control, but in another minute they gained headway in the extension connected with the five and seven-story buildings. This occasioned a renewal alarm among near by tenements. At midnight the fire was under control. The damage is estimated at \$125,000, partly insured.

LOCAL LINES.

Young Shepherd, who was run over on the Wahash road, is dying from lockjaw.

Lindley D. Collins and family, who resided at No. 5 North Calhoun street, has moved to Lansing, Mich., where Mr. Collins has charge of the Jackson railroad round house.

The indications for the lower lake region as reported by the weather bureau at Washington to THE SENTINEL are as follows: Fair weather, westerly winds, nearly stationary temperature.

Henry Hill, who is in jail for criminally assaulting a German girl in his employ at the Horse Shoe restaurant, on Barr street, will be liberated Sunday. His term of imprisonment then expires.

O. Barton, is here in advance of Clayburg's Oreole company. The party play at the Academy a week from to-morrow night, and the management propose to make the occasion a benefit to Mr. Will Friend, the leading comedian and a Fort Wayne boy who is climbing to the top.

Mrs. Gen. Thomas J. Brady died last evening at the home of her father, in Muncie, after a lingering attack of paralysis. Mrs. Brady was a sister of Mrs. Robert C. Hall, of this city, who has been at her bedside for weeks. She was a most estimable woman and her memory will always be cherished, not only at

her home, but throughout the nation, by her legion of friends and admirers. Her funeral occurs Friday morning from the Universalist church at Muncie and it is anticipated the cortege will be largest in the history of that city.

Society in the east end is just now elated over the elopement of Miss Hannah Murphy, of Montgomery street, and Henry Sheehan, a brick mason. Mr. Sheehan feared the refusal of a stern papa and fled with his sweetheart where parents and marriage licenses don't interfere with love affairs.

A COUNTER CLAIM.

Louis Aldrich to Institute a Damage Suit Against C. B. Woodworth.

The Aldrich-Dickson controversy is destined not to end with the attachment suit instituted last evening. Just before leaving the city Mr. Aldrich instructed his attorneys, Morris, Aldrich and Barrett, to institute a damage suit against Charles B. Woodworth, who is bondman for Dickson's attachment suit. Mr. Aldrich bases his claim for damages on the ground that the proceedings last night were injurious to his professional reputation, unwarranted and malignant. He will put his figures at \$5,000 and his attorneys will file the necessary papers in the superior court to-morrow. Mr. Woodworth is not alarmed and has employed Colerick & Oppenheim to dispose of the matter.

THE COURT HOUSE.

A marriage license has been issued to James M. Smith and Lizzie Yager.

Judge O'Rourke yesterday refused a divorce in the case of Harriet vs. Frederick Keeler.

The commissioners are still examining claims against the county. To-morrow is road day and Friday ditch cases will be heard.

There is as yet only one new petition for a ditch to be heard during the present term of commissioners' court, that petitioned for by Adam Baker, in Monroe township.

O. E. Fleming this morning filed suit for Nancy J. Thomas and others against David W. Thomas and others. The action is to divide an eighty acre farm in township thirty-two bequeathed to heirs by Michael Thomas.

The damage case of Mrs. Christine against Adam Forepaugh was stricken from the United States court docket yesterday with other worthless cases. The prosecution was long ago abandoned and so noted in THE SENTINEL.

Last night S. L. Morris presided as special judge in the superior court in the case of Sisking vs. Severy, and held court until 10 o'clock. He kindly granted the bay and audience permission to smoke and soon court and audience were puffing more or less fragrant havanas.

Judge O'Rourke yesterday set aside the settlement James Wolfe made with the Grand Rapids road as administrator of the estate of Michael Meehan, who was killed on the Grand Rapids road. Mr. Wolfe was not removed as administrator, but now Mrs. Meehan will sue the railroad company for a snug sum.

The divorce mill was in operation yesterday and squeezed out separation papers for Ada L. Weaver from John H. Weaver. Mrs. Weaver was also given the custody of a child until further orders of the court. Minnie Thompson had the marital bonds burst that tied her to Charles S. Thompson and was awarded \$500 alimony.

The transfer of city real estate are: Elias Hire to Samuel Kriger, lot 37, E. Hanna, sr.'s addition, \$600; date, December 2, 1884. Adeline T. Heilmart to Jacob Klett, lot 8, Stopple's addition, \$1,000; date, November 28, 1884. Frederick Lahmeyer to Daniel Lahmeyer by quit claim, lots 32, 34 and 36, Lillie's addition, \$1,000; date, December 2, 1884.

The Ellison-Nickel Plate damage suit was continued in the superior court this morning. Mrs. Smith, the matron of the City Hospital, was first called to the stand and she was followed by John Skidmore, the engineer of the Nickel Plate engine at the time of the collision. Skidmore is a very important witness and was subjected to a most rigid cross-examination. Skidmore admitted that he paid no attention to trains on the Grand Rapids road.

publicly announce that owing to various

The thirty-first annual meeting of the
Indiana State Teachers' Association will
be held at Plymouth church, Indianapo-
lis, on the 29th, 30th and 31st days of
this month.

John Eckert, the manufacturer of the
celebrated "39" cigar, continues quite
ill and alarm is felt at the severity of his
sickness, which originated from a severe
cold contracted while on a hunting tour
in Ohio.

Mr. Daniel Dougherty, the brilliant
orator who lectures at Catholic Library
hall Monday evening, December 8,
while in the city will be entertained by
Hon. Montgomery Hamilton at his palat-
ial residence.

It is said that Will Cooper will resign
the city editorship of the Journal next
Saturday night. The management of the
paper sought the services of Frank J.
Healy last evening, but he prefers to go
on the Gazette.

Wayne Lodge F. and A. M. elected
officers as follows last night: W. M.,
T. J. Rodabaugh; senior warden, Frank
Chapman; junior warden, Robert Gage;
trustees, David A. Robinson, George R.
Bowen and Joseph Falls.

A man named Omstead, from Dela-
ware, Ohio, this morning called on Dr.
Slutt to have a bullet removed from his
arm, having accidentally shot himself
while hunting in Michigan. He claims
to have killed forty-one deer within a
week.

Deputy Sheriff Schroeder returned last
evening from Michigan City, where he
lodged Smith and Casey. Mr. Schroeder
reports all the Fort Wayne boys well
and hearty. Jeff Myers, soon to finish
his sentence, sends regards to his friends
in advance.

Hon. Montgomery Hamilton has been
invited to visit the New Orleans ex-
position during the holidays with the United
States senators and congressmen. The
invitation comes from Congressman Hol-
man, the great objector, who is an uncle
of Mr. Hamilton.

There was a fight in front of Hollis
Gillett's saloon on Barr street, last night
at 12 o'clock. The intention was to rob
an unknown man, but he showed fight
and knocked a revolver from the hand
of a highwayman. The weapon was
picked up by Deputy Marshal Patton
to-day.

Dr. August Deumling, of Concordia
college, has been elected president of the
German Lutheran Library association,
vice Joseph A. M. Storm, who resigned
after three years of splendid service.
Wm. Lankman has resigned as treasurer
of the association and Herman Seimon
was elected to fill his place.

Richard Allen and wife came to this city
from Liverpool about three months ago
and he secured employment at the Kerr
Murray foundry. He was sent west to
finish a job of work with other employees
of the foundry and returned yesterday
with his savings, which he handed to his
wife. This morning, when Allen awoke,
his wife and money were missing. The
man resides on Brandriff street and he
is after the fellow who wrenched the wo-
man's affections from him.

Mr. and Mrs. Will Fleming and Miss
Mecca Hongland went to Toledo last
Monday to witness the production of
"Girofle-Girofla" by the Boston Ideal
Opera company. Miss Umar was en-
coured four times on her drinking song,
and the audience was wild with enthu-
siasm. John Mohr, jr., will make an ef-
fort to bring the company here this
season, but fears he cannot secure them.
This is their last season on the road and
their people miss a rare musical treat.

The Indianapolis News says: "About
\$3,000 has been paid over to Major John-
son, treasurer of the soldier's monument
fund, and altogether about \$4,500 has
been subscribed. In contributing this
amount, only about sixty out of the 350
posts in the state have assisted. As well
known, the proposition has been opposed
from the start by the Fort Wayne inter-
national, who even went so far as to issue
a circular letter giving alleged reasons why
the monument should not be located in
this city. The main reason netting
Fort Wayne is jealousy of Indianapo-
lis."

THEATRICAL WAR.

The Baggage and Property of Louis Ald-
rich Attached by Brooks & Dick-
son for \$175.

Messrs. Olenick & Oppenheim and
Coombs, Bell & Morris last evening be-
gan attachment proceedings for Brooks
& Dickson against Louis Aldrich, at the
head of the "My Partner" company.

Mr. Aldrich, it seems, signed a contract
to play at the Academy, but later signed
to appear at the Masonic Temple, with-
out obtaining a release. The Academy
management held their house for Mr.
Aldrich, but he did not appear there
and, on a warrant from Justice Ryan's
court, the baggage of the theatrical com-
pany was seized to satisfy Brooks &
Dickson's claim of \$175. J. H. Simon-
son, manager of the Temple, went on Mr.
Aldrich's bond and the case will come
up for hearing next Monday at ten
o'clock. From the Temple stage last
night Mr. Aldrich spoke harshly of
George A. Dickson and denounced the
attachment laws of Indiana. To-day Mr.
Aldrich and his party went to Richmond,
Ind., where they play to night. The
star cannot come here Monday without
canceling an engagement elsewhere and
incurring another suit for breach of
contract. A compromise is likely to be
effected. Brooks & Dickson will pro-
ceed similarly with other theatrical par-
ties first booked for the Academy and a
nice war is imminent. Morris, Aldrich
& Barrett have been retained by Mr. Al-
drich to legally represent him.

Mrs. Nora Logan to-day removed into
her new residence, on East Williams
street. During the week she will have
an old fashioned house warming.

Intelligent people have quit taking bit-
ters and mineral poisons, have quit doo-
ting kidneys and liver, nerves and
brain, have quit using alcoholic poisons
and narcotic drugs; have quit poisoning
their system with quack nostrums, and
now keep themselves and families in per-
fect health by occasionally using the
only perfect blood purifier and true
strengtheners of weak portions of the
body, known far and wide as Dr. Guy-
sott's Yellow Dock and Sarsaparilla.

Rheumatism

We doubt if there is, or can be, a specific
remedy for rheumatism; but thousands who
have suffered its pains have been greatly ben-
efited by Hood's Sarsaparilla. If you have
failed to find relief, try this great remedy.

"I was afflicted with rheumatism twenty
years. Previous to 1882 I found no relief, but
grew worse, and at one time was almost help-
less. Hood's Sarsaparilla did me more good
than all the other medicine I ever had."

H. T. BALCOM, Shirley Village, Mass.

"I had rheumatism three years, and got no
relief till I took Hood's Sarsaparilla. It has
done great things for me. I recommend it to
others." LEWIS BURBANK, Litchfield, Me.

Hood's Sarsaparilla is characterized by
three peculiarities: 1st, the combination of
remedial agents; 2d, the proportion; 3d, the
process of securing the active medicinal
qualities. The result is a medicine of unusual
strength, effecting cures hitherto unknown.
Send for book containing additional evidence.

"Hood's Sarsaparilla tones up my system,
purifies my blood, sharpens my appetite, and
enables me to make me over." J. L. THOMPSON,
Register of Deeds, Lowell, Mass.

"Hood's Sarsaparilla beats all others, and
is worth its weight in gold." T. BARRINGTON,
120 Bank Street, New York City.

It is currently reported and without a
shadow of denial, that one of our leading
merchants has adopted FREE TRADE prin-
ciples in his business to the extent that
he will not admit of any PROTECTION in
the way of an excessive Tariff on his

his sincerity PROTECTS the consumer by
entirely ignoring the tariff, and marking
his goods at 20 per cent. below the cus-
tomary prices for cash. This is the pop-
ular Boot and Shoe Merchant.

AMUSEMENTS.

"My Partner."

Louis Aldrich and his company produced Bartley Campbell's play, "My Partner," at the Temple opera house last night. It was never witnessed here with such effect, because the stage facilities were not adequate until the completion of the Temple. Mr. Aldrich appeared to splendid advantage as Joe Saunders, the big-hearted miser, and was given excellent support. A new man plays the part of the Oldman and cleverly imitates the only Parsloe.

"THE STREETS OF NEW YORK."

The above entitled play was again presented at the Academy of Music last night to a nice audience. To-night the party present "Under the Gas Light." This company is meritorious and the pieces popular.

COMING ATTRACTIONS.

Patti Ross, a sprightly sourette, will appear in the society comedy, "Mizpah," at the Temple opera house to-night. The clever comedians, C. M. Lester and E. L. Williams, support the little lady, who is popular here as the rival of Lotta.

The "Beggar Student," one of the prettiest operas composed, will be presented at the Temple opera house Friday night by a company of thirty-five people. If the company is as bright and sparkling as the music of the opera a rich treat is in store.

The Spitz-Erdmann party gave a pleasant matinee performance at the Academy this afternoon and announce another afternoon entertainment for Saturday.

A Cockroach Has 300 Teeth

This seems a great many, but we must remember that the cockroach eats a little of everything he picks up, and has need of a tremendous digestive apparatus. Our digestive apparatus is altogether different. First we chew our food with the teeth, then send it to the stomach to be disposed of. If the stomach is not in perfect working order, take Brown's Iron Bitters and make it do its work properly. Mrs. Sophia Torbet, of Georgetown, Dela., says: "I used Brown's Iron Bitters for dyspepsia, and it greatly improved my digestion."

The Indians, knowing the value of wild cherry bark as a cure for coughs and colds, used to prepare it in their rude way and in winter kept it constantly on hand. The careful and secret method of preparing Dr. Wistar's Balsam of Wild Cherry makes it superior to all other preparations. It is very pleasant to take.

The Safest and Best Internal Remedy.

It is safe to take Brandreth's Pills at any time, but to get the best results they should be taken on an empty stomach, going to bed. It is well on the night you take them to eat little or no supper. As no two people are affected precisely the same by a like quantity of the same medicine, it is difficult to determine the dose; and it is something which must be left to the discretion of the patient. We will say, though, the average dose for an adult is from four to ten, according to effect.

For constipation or dyspepsia, one or two taken every night will in a short time perform an absolute cure. It is well to take a purgative once or twice a month as a preventive of disease, and as these pills are entirely vegetable and are made with the greatest care, we know them to be the safest and most effective purgative ever introduced to the public. They have been sold in this country for over fifty years, and have in that time attained an unprecedented popularity.
